Asking Questions (GEQ1000) & Quantitative Reasoning (GER1000)

Under the new General Education (GE) Curriculum, implemented in AY2015/16, GE modules are divided into 5 pillars, namely:

1. Human Cultures
2. Singapore Studies
3. Thinking and Expression
4. Quantitative Reasoning (GER1000 is the only module offered under this pillar)
5. Asking Questions (GEQ1000 is the only module offered under this pillar)

For more information regarding GE Curriculum, please refer here.
