How do I reset my NUSNET password?

1. Change Password (if you still remember your old password)
   a. Go to the NUS WebMail portal (https://exchange.nus.edu.sg/) and click on "Change NUSNET Password".

   ![Change NUSNET Password](image)

   b. Enter your student ID, the old password and the new password and click on "Submit".

2. Forgot Password (if you do not remember your old password)
   a. If you have not registered your mobile number in the NUS Education Records (EduRec) System, please contact NUS IT Care (https://nusit.nus.edu.sg/itcare/) to reset your password. To register your mobile number, check "How do I register my mobile number in NUS EduRec?"

   b. If you have registered your mobile number in the NUS Education Records System:
      i. Go to https://myaces.nus.edu.sg/passwordreset
      ii. Step 1 – Submit the request
         1. Fill in the information as required. Click on "Submit".
         2. A One-Time-Password (OTP) will be sent to your mobile phone via SMS.
ii. Step 2 – Retrieve the OTP

Message
From: NUS
SMS-OTP is 12345, OTP will expire on 1-12-2013 10:15 Singapore Time.
iv. Step 3 – Enter the OTP
