

Access and submit files to Turnitin (Direct - Student)

Students can submit to Turnitin [only if enabled by your instructor](#).

1. Your instructor needs to issue you the **Class ID** and **Enrollment Password** before you create a Turnitin account (if necessary) and log in to Turnitin.

The **Class ID** and **Enrollment Password** are not your Turnitin username and password. You only use these to enrol in the class *after* you have logged in to Turnitin.

2. If you do not have a Turnitin account, [create a Turnitin account](#) then go to step 3.
If you have a Turnitin account, [log in to Turnitin](#).
 - a. If the account creation process indicates you have an existing Turnitin account or the log in fails, please [reset your Turnitin account password](#).
3. Once you have logged in to Turnitin, click the link to **Enroll in a Class** with the Class ID and Enrollment Password provided by your Instructor.
4. On entering the Class homepage, click the relevant assignment folder to open it. [Submit your paper](#).
5. You can view the Similarity Report, once it is ready, *if your Instructor has enabled this option*. [It may take up to 24 hours to process the report](#).
