Search LumiNUS Staff Guide.

The guide has been written to help you make the most of LumiNUS.

It is divided into categories to help you learn more about LumiNUS and find the right tools to help you in your teaching and learning processes.

**LumiNUS Basics**
- Get to know the interface

**Module**
- Create your module and get recommendations on getting started

**Content**
- Deliver your contents with the different tools available

**Collaboration**
- Use forum and chat to encourage collaboration

**Communication**
- Communicate with your students and others in LumiNUS

**Assessment**
- Assess your students with the different types of assessments

**Data Gathering**
- Gather data using poll and survey

**Virtual Class**
- Conduct your class or discussion session online in real time

**Grading**
- Grade assessments and consolidate marks

---

**LumiNUS Support Channels**

Please send all queries, issue reports and suggestions to LumiNUS Staff Helpdesk. Log in using your NUSNET ID and password. We will get back to you as soon as possible.

If you wish to email, please contact itcare@nus.edu.sg. NUS IT Care will route issues to CIT. We will handle these via the respective service desk. You may also call NUS IT Care at 6516 2080.
