Live Support for Take-home Assessments:

In light of the evolving COVID-19 situation, we are providing live support via Microsoft Teams to students who encounter technical issues when taking digital assessments at home. If you have take-home assessments this semester, please download and install Microsoft Teams on your computer and/or mobile phone.

Download and Install Microsoft Teams

As there is a limit on the number of members in a team, please join our 'Examplify Tech Support' team near the start of each take-home assessment and quit immediately after the assessment ends.

Device Minimum System Requirements:

- Windows
- Mac OS
- iPad

> ⚠ **Note: Please use a laptop instead of iPad for assessments with essay questions and non-secure block internet assessments.**

Accessories

Wireless accessories (e.g wireless headsets, mouse and keyboards) are not recommended because Examplify may block wireless communications or it can be affected by interference from other devices. Should you require the use of such accessories, you are advised to obtain the wired equivalent. You need to be aware of space limitations in the exam venue as there may not be sufficient space to arrange all of this equipment in the space provided.
