

# How to export questions in QTI Format?

## Info

The QTI format applies on assessment questions only. It does not apply to questions used in Survey or Poll.

## Step-by-step guide

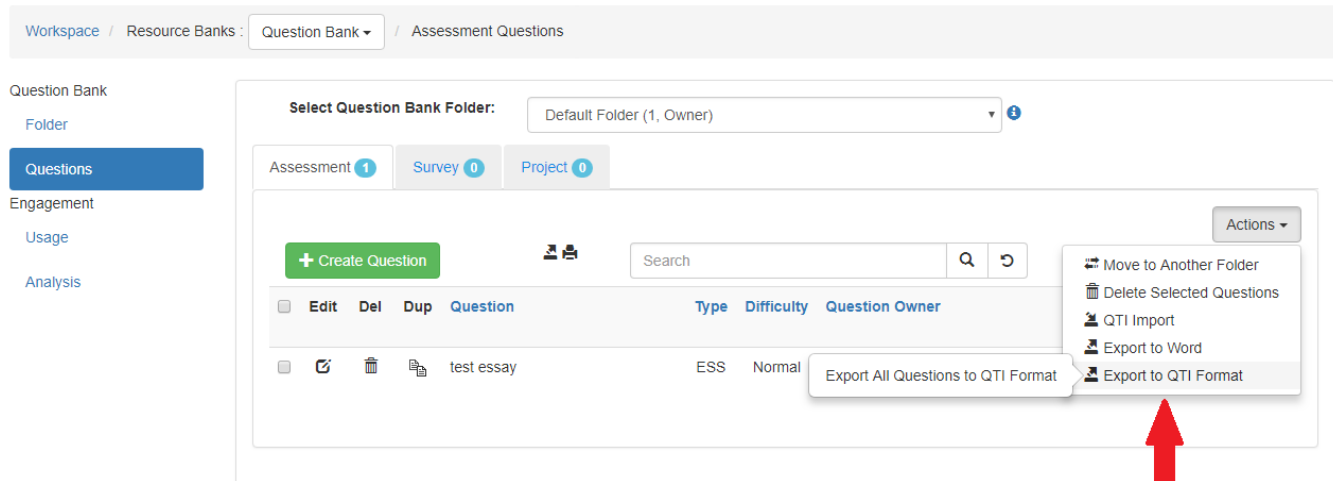

1. [Edit the assessment.](#)
2. Click on **[Other Actions -> QTI Export]** link on the right.

3. After that system will generate the xml file in QTI format.

If your questions are located inside Question Bank instead of Assessment.

1. Navigate to the list of assessment questions inside the folder.
2. Click on **[ Actions -> Export to QTI Format]** link on the right.

3. After that system will generate the xml file which containing all assessment questions in this folder into QTI format.

## Info

You can use below instructions to import QTI files into LumiNUS.
