# Student

## Welcome to Student Digital Assessment Wiki Page

Do you have digital assessment issues?
Refer on the left menu for the respective topics or search for a solution in the search box below

Should you still require further technical assistances, send us an email at **citbox25@nus.edu.sg** and provide us the details about the issue you are facing.

## Live Support for Take-home Assessments:

Please refer to Support for Exams for more details.

## Device Minimum System Requirements:

- Windows
- Mac OS
- iPad

> ⚠️ **Note: Please use a laptop instead of iPad for assessments with essay questions and non-secure block internet assessments.**

### Accessories

Wireless accessories (e.g wireless headsets, mouse and keyboards) are not recommended because Examplify may block wireless communications or it can be affected by interference from other devices. Should you require the use of such accessories, you are advised to obtain the wired equivalent. You need to be aware of space limitations in the exam venue as there may not be sufficient space to arrange all of this equipment in the space provided.

## Download and Install Examplify:

Click **here** to download Examplify.

## Practice Exams:

> ⓘ The password for all practice exams is **password1**

There are a total of 7 practice exams. You should attempt the practice exam which best fits the assessment mode for your module.

| Exam Name | Description |
|---|---|
| Practice Exam - Secure<br><br>Resume Code: **3D64F1** | This performs a full lockdown of your laptop. You will not be able to connect to the internet or run any other programs. |
