Note: Please use a laptop instead of iPad for assessments with essay questions and non-secure block internet assessments.

Accessories

Wireless accessories (e.g wireless headsets, mouse and keyboards) are not recommended because Exemplify may block wireless communications or it can be affected by interference from other devices. Should you require the use of such accessories, you are advised to obtain the wired equivalent. You need to be aware of space limitations in the exam venue as there may not be sufficient space to arrange all of this equipment in the space provided.
